<h1>CHANGE NOTICE</h1>		

1. **Purpose.** The purpose of this Change Notice is to update Directive ADS-1, Environmental Management Systems, Transmittal Number 916, dated August 31, 2006.
2. **Summary of Changes.**
 - a. On January 24, 2007, the President signed Executive Order (EO) 13423, “Strengthening Federal Environmental, Energy, and Transportation Management” that rescinded EO 13101, “Greening the Government Through Waste Prevention, Recycling, and Federal Acquisition,” dated September 14, 1998, and EO 13148, “Greening the Government Through Leadership in Environmental Management,” dated April 21, 2000. ADS-1 references to EO 13101 and EO 13148 are replaced with EO 13423.
 - b. Additionally, this directive was erroneously given the subject code ADS-1 in 2006. The correct subject code for Environmental Management Systems will be ADS-19. This action clarifies and corrects the conflict with historical ADS-1, which refers to the Privacy Act.
3. **Effective Date.** Upon issuance
4. **Distribution.** By electronic format
